Grand Aladden, what color and the conformation to go with it. Great topline, body, very clean under the neck, just a sharp looking bull with very nice horn growth. With the Texas Ranger JP blood line and his color who wouldn't want him!

Look at who he's out of! A Superbowl dam with 70 1/8" t2t as a 5 year old. Sired by Victory Lap 67.25" t2t. He's got lots of color and showing some brindle. Nice topline, body and horn growth. Look at the direction those horns are going.
